

**LAFAYETTE PARISH SHERIFF'S OFFICE
INSTRUCTIONS TO BIDDERS**

ARTICLE 1 - BID SECURITY

If a bid bond is required in the bid specifications, the following will apply. If not, please disregard and skip to Article 3, Brand Name Specifications.

Each bid shall be accompanied by a certified check, cashier's check, or bid bond payable to the Lafayette Parish Sheriff's Office, State of Louisiana, the amount of which shall be five percent (5%) of the base bid plus any additive alternates if required by the attached bid specification document. Any Bidder not furnishing bid security, may subject his bid to rejection.

The successful Bidder's Bid Security shall be given as a guarantee that the Bidder shall execute the Contract, should it be awarded to him, in conformity with the Contract Documents. Should the Lafayette Parish Sheriff's Office make an award to a Bidder who refuses to enter into a Contract, the bid security shall be forfeited to the Lafayette Parish Sheriff's Office as liquidated damages.

The successful Bidder's Bid Security will be retained until he has entered into a satisfactory Contract. The Lafayette Parish Sheriff's Office reserves the right to hold the Bid Security of the three lowest bidders until the successful Bidder has entered into a Contract and furnished performance and payment bonds, each in the amount of 100% of the Contract Price, with a corporate surety approved by the Lafayette Parish Sheriff's Office.

If a bid bond is used, it shall be written by a surety or insurance company currently on the U.S. Department of the Treasury Financial Management Service list of approved bonding companies which is published annually in the Federal Register. The bid bond shall be issued by a company licensed to do business in Louisiana and by a person who is under contract with the surety company or bond issuer as a licensed agent in this state and residing in this state. The bid bond must be equivalent to five percent 5% of the base bid plus any additive alternates, but does not have to specify the amount in dollars and cents.

Notwithstanding the aforesaid, in the event that a Bidder furnishes a bid bond which does not fully comply with the provisions of this Article, but which is otherwise a legally valid and enforceable bond, the Lafayette Parish Sheriff's Office may allow such Bidder to amend his bid bond following the opening of bids in order to bring the bond in conformity with the requirements of this Article and/or the requirements of LA. R.S. 38:2218, or may permit the Bidder to substitute other security in place of the bid bond submitted.

Vendors must provide sufficient literature, brochures, etc. to prove quality.

Vendors are asked to list any exceptions to specifications; however, brochures or other literature submitted will determine whether the item quoted upon actually meets all specifications.

In the event of termination of said contract, all obligations of either party under this contract shall cease.

ARTICLE 6 - PRINTED FORM FOR BID

The bid form invites bids on definite plans and specifications. Only the amounts and information called for on the bid form furnished will be considered as the bid. Each bidder shall bid upon the work exactly as specified and as provided in the bid.

Bids should be clearly and legibly filled out in ink and/or typewritten and must contain the signature or facsimile thereof of the bidder or an authorized representative. The Parish shall have the right to reject any bid in the event that it is unable to reasonably determine the information and quotations supplied by the bidder as a result of the manner and method by which the bidder has completed the bid form.

In the event that the Detailed Specifications, Information for Bidders or Special Conditions differ from the General Conditions, the Special Conditions shall take precedence over the Detailed Specifications. The Detailed Specifications shall take precedence over the Information for Bidders and General Conditions. The Information for Bidders shall take precedence over the General Conditions.

ARTICLE 7 - DELIVERY

Failure to insert delivery days, when called for on the quotation form, may be cause for rejection of bid.

ARTICLE 8 - LOUISIANA PREFERENCE

In accordance with the provisions of LA. R.S. 38:2251 et. seq., preference is hereby given for materials, supplies or equipment which are manufactured, processed, produced or assembled in Louisiana, quality being equal to other materials, supplies or equipment offered by competitors outside of the State of Louisiana. However, the Lafayette Parish Sheriff's Office can only make a full and proper determination of bidder's entitlement to a preference based upon a consideration of all pertinent information related to the claim. Accordingly, in order that the Sheriff's Office can fairly evaluate a bidder's claim for a preference, it shall be the bidder's duty and responsibility to supply the Sheriff's Office with the following declarations and information when submitting a bid which claims entitlement to a preference:

1. The bidder shall affirmatively indicate that it desires and is entitled to be considered for a preference by placing a mark in the space provided on the bid quotation for claiming a preference; and
2. The bidder shall specify in the blank provided on the bid quotation which items it is claiming a preference for, and the bidder shall specify in the blank provided on the bid quotation the location(s) in Louisiana where the product(s) for which it is claiming a preference are manufactured or produced; and
3. The bidder shall attach to bid form a written letter setting forth in detail why it is entitled to be granted a preference, including, but not limited to, describing how its products are produced or manufactured, and describing the specific process which qualifies it for a preference. The bidder, shall also confirm in the blank provided on the bid form that it has duly attached the letter setting forth the details as required herein.

4. Any bidder who fails to comply with each and every one of the requirements set forth herein above shall be deemed to have waived its right to be considered for a preference, and such bid shall be considered as though no preference was available to the bidder.

Bidders who claim a preference on materials, supplies, or equipment, which are Louisiana products and which are equal in quality to other materials, supplies or equipment must meet the following conditions in order to qualify for such preference:

1. The cost of the Louisiana products must not exceed the cost of other materials, supplies, or equipment which are manufactured, processed, produced, or assembled outside the state by more than five percent; and
2. The vendor of the Louisiana products must agree to sell the products at the same price as the lowest bid offered on such products; and
3. In cases where more than one bidder offers Louisiana products which are within five percent of the lowest bid, the bidder offering the lowest bid on Louisiana products is entitled to accept the price of the lowest bid made on such products.

ARTICLE 9 - QUALIFICATION OF BIDDER

The Lafayette Parish Sheriff's Office may make such investigation as it deems necessary to determine the ability of the Bidder to perform the work, and the Bidder shall furnish to the Lafayette Parish Sheriff's Office all such information and data for this purpose as the Lafayette Parish Sheriff's Office may request. The Lafayette Parish Sheriff's Office reserves the right to reject any bid if the evidence submitted by, or investigation of, such Bidder fails to satisfy the Lafayette Parish Sheriff's Office that such Bidder is properly qualified to carry out the obligations of the Contract and to complete the work contemplated therein.

ARTICLE 10 - ERASURES

Bidders should avoid making erasures, delineations and other corrections on bids, since such may make it difficult for the Sheriff's Office to ascertain the information contained in the bid. In the event that a bidder must make such corrections to a bid, the corrections should be made in such a manner that the information contained on the bid form can be fairly and reasonably discerned and ascertained by the Sheriff's Office. The Sheriff's Office shall have the right to reject any bid in the event that it is unable to reasonably determine the information and quotations supplied by the bidder therein.

ARTICLE 11 - PRICES

Prices are to include the furnishing of all materials, plant, equipment, tools, delivery, and all other facilities, and the performance of all labor services necessary or proper for the completion of the work except as may be otherwise expressly provided in the detailed specifications.

When called for on the quotation form, prices should be shown both in words and in figures. In the event of a discrepancy between the prices quoted in words and those quoted in figures in the quotation, the words shall control. In the event that the bidder does not show prices in both words and in figures, the bid shall be tabulated in accordance with the form of the price provided. In case of a conflict between unit prices and the extended total price, the unit price shall govern. The Sheriff's Office reserves the right to reject any bid in the event that discrepancies in the prices quoted therein prevent the Sheriff's Office from making a fair determination of the quoted prices.

ARTICLE 12 - UNDERSTANDING OF BIDDER

In making his bid each bidder represents that: he has read and understands the bid documents and his bid is made in accordance herewith; his bid is based upon the specifications described in the bid documents; any and all exceptions to specifications being so noted in said documents.

ARTICLE 13 - WITHDRAWAL OF BID

At any time prior to the scheduled closing time for the receipt of quotations, any bidder may withdraw his quotation. ARTICLE 17- REJECTION OF BIDS

The Lafayette Parish Sheriff's Office reserves the right to reject any and all bids. The Lafayette Parish Sheriff's Office also reserves the right to reject any and all bids should the total bid be in excess of appropriated funds and additional funding cannot be made available. Without limiting the generality of the foregoing, any bid which is incomplete, obscure, or irregular may be rejected; any bid which omits a bid on any one or more items in the Bid Form may be rejected; any bid in which unit prices are omitted or in which unit prices are obviously unbalanced may be rejected; any bid accompanied by an insufficient or irregular bid security may be rejected.

ARTICLE 18- WITHDRAWAL OF BID

A bid containing patently obvious unintentional, and substantial mechanical, clerical, or mathematical errors, or errors of unintentional omission of a substantial quantity of work, labor, material, or services made directly in the compilation of the bid, may be withdrawn by the contractor if clear and convincing sworn, written evidence of such errors is furnished to Lafayette Parish Sheriff's Office within forty-eight hours of the bid opening excluding Saturdays, Sundays, and legal holidays. Such errors must be clearly shown by objective evidence drawn from inspection of the original work papers, documents, or materials used in the preparation of the bid sought to be withdrawn. If Lafayette Parish Sheriff's Office determines that the error

is a patently obvious mechanical, clerical, or mathematical error, or unintentional omission of a substantial quantity of work, labor, material, or services, as opposed to a judgment error, and that the bid was submitted in good faith it shall accept the withdrawal and return the bid security to the contractor.

A contractor who attempts to withdraw a bid under the provisions of this Section shall not be allowed to resubmit a bid on the project. If the bid withdrawn is the lowest bid, the next lowest bid may be accepted. If all bids are rejected no withdrawal of the bid which would result in the award of the contract on another bid of same bidder, his partner, or to a corporation or business venture owned by or in which he has an interest shall be permitted. No bidder who is permitted to withdraw a bid shall supply any material or labor to, or perform any subcontract work agreement for, any person to whom a contract or subcontract, is awarded in the performance of the contract for which the withdrawn bid was submitted.

ARTICLE 19– SIGNATURE AUTHORITY OF BIDDER
